<p>Family names from Thomas Brewster's oral history narrative: "My brothers were Jesse, Sheron (who died when small, had fits all his life), I was next, Fairbee, Phoebe, Jasper, Andrew, George, Fairzina. George died when 7 or 8 with brain fever. Jesse died with congestive chills after grown. Fairbee died with dropsy when 10 or 12. Phoebe died when 5 or 6; don't know what killed her. Andrew died with fever at 8 or 9. Fairzina lived to be about 50 and went insane and died. Jasper and I are the only ones now living."</p>															
How do I know Jasper's middle name is Newton?
